

INDIANA CAREER COUNCIL

# Evolving Role of the Pathways Taskforce

January 20, 2015

# Initial Duties and Responsibilities

- Research, review, and disseminate best practices for career counseling
- Oversee the implementation and monitor the success of completion bonus and return-to-complete higher education programs
- Promote and monitor the expansion of work-and-learn programs and services
- Support and champion the implementation of integrated/coordinated career pathways among Indiana's education, job skills development, and career training system

# Evolving Roles that the Pathways Taskforce Can Play

- Identification of Priority Occupations and Employment Sectors for the Education, Job Skills Development, and Career Training system
  - Utilize Demand and Supply Report to ID occupations/sectors
  - Develop comprehensive, inclusive career pathways that align with those occupations/sectors
- Develop and Disseminate Framework for Establishing/Expanding Industry Partnership/Sector Strategies throughout Indiana
  - Determine optimal structure of partnerships
  - Determine if seed funding is needed to establish partnerships, and develop appropriate process for seeding
